

Practices for Rapid City Stevens High School fall activities will begin soon. All students in grades 9-12 planning on participating in state-sponsored or club activities during the 2018-2019 school year must have a current physical on file prior to tryouts or (if no tryouts) prior to first practice. Physicals are required on an annual basis. Student athletes and parents must also complete participation forms and the state required concussion risk/awareness forms. Parents, you can complete the medical consent/Training rules and concussion forms electronically via your family access account.

Pursuant to the RCAS High School Activities handbook:

*The student (activity participant) and one (1) parent of the participant must attend the Preseason Meeting to be informed of rules and regulations that govern the activities program.*

The Stevens parent/student activities meeting, for new and returning activity participants and parents, will be **Monday Aug. 6 at 6:00 PM**. The meeting will be held in the Stevens High Theater. The meeting will cover participation rules and regulations, general activity information, and feature guest speaker, Donna Hanks (Day of Excellence Speaker).
