

Literature Term Project
Presentation
Kingsahlimon.com

We have another presentation to prepare us for a literature unit. Each of you students will be in charge of teaching to the class the meaning of a specific lit term related to fiction. Possible incomplete list is way below.

GUIDELINES

Start with introduction that leads us to the word and definition.

Present full meaning of term you choose. Both definition and student meaning (lay term)

Give direct example of term. Movie clip..Novel clip.....Short Story clip.....Art clip...Advertisement clip.....etc... you get the meaning huh

After example speaker MUST relate the clip to the term. Tell why and how this is an example of your term.

TIPS

Movie clip must be no more than 30 seconds.

All writing and examples must be PRE-prepared....no writing on board or searching for clip during your presentation. 4 PEAS. Power point or any presentation tool will be good

Choose a topic that you have a basic understanding of already

Only one term presentation per class

Selection process will be controlled randomness

Students can choose topic not on list *with approval*.

Class will take notes and be held accountable for terms and their meaning. Quiz later

Speakers must use formal speaking conventions. Remaining terms can be up for bonus point options
