

## CANNOT LIVE WITHOUT

As a precursor to the literature unit we are about to begin, you must write a completely developed 5 paragraph essay. Purpose is to show your understanding of the written word and the organization of that written word.

### Topic

**What you cannot “live” without**

**Or What you have an unusual level of dependence upon.**

Not life essential --water food air etc...

Identify what you have a “dependence” upon and develop that.

Not a confessionary paper.

### 5 Paragraphs

#### Introduction

Place the THESIS at the end of intro.

Thesis statement must identify the item and focus of paper

#### Body

Develop your dependence with 3 well developed body paragraphs.

Suggested organization is below

**MP I** is an explanation of the \_\_\_\_\_

What item is

Your history with the \_\_\_\_\_

**MP II** will give explanation of your dependence/importance of

\_\_\_\_\_

How do you interact with \_\_\_\_\_ during daily activity?

**MP III** must develop the adjustments you will make without it.

#### Conclusion

Give no new information and restate your dependence on\_\_\_\_\_.
